Business Development Consultant

Description

We are looking for a knowledgeable and experienced Business Development Consultant. You are a self-starter who will hunt for new business for different clients.

Responsibilities

- Develop business with the assigned accounts.
- Create strategic development plans, including active sales pipeline and implementation, to build a new profitable business.
- Track and report progress with implementation of strategic plan, customer budgets, and ongoing forecasts.
- Train business development team regarding different phases of the sales cycle and meeting projects' goals.
- Perform analysis to determine opportunities in the market.
- Assess the profitability of existing products and service offerings.
- Improve existing business by increasing profitability and customer satisfaction.
- Manage business deals from negotiation to close.
- Monitor contracts implementation from contract performance, customer payment terms, to delivery terms.
- Build and maintain long-lasting customer relationships.
